Re: Satish R. Shah  
Docket No. 93N-0340

Dear Mr. Reid:

This is to advise that I represent Satish Shah. As you probably know, his former attorney, Robert Chester, passed away recently and I have taken over his legal representation. I have reviewed the documents submitted to the FDA with respect to the termination of his disbarment.

I would appreciate if you could advise me as to whether or not all papers are in order and/or any documents need supplementation. Furthermore, I wonder if you would be so kind as to advise me as to the current status of the matter and when Mr. Shah can expect to hear from the FDA with respect to the disposition of his present application.

Your timely attention will be appreciated.

Very truly yours,

  
S. M. CHRIS FRANZBLAU
